EDUCATION

MSc Banking and Finance – Distinction

Jan 2025 – Mar 2026

Queen Mary University of London, London, UK

- Designed a UHNW relocation strategy from UK to Italy, integrating trust structures, fiduciary vehicles, and Italy's Special Tax Regime to optimise cross-border asset protection and intergenerational wealth transfer.
- Conducted advanced financial modelling and scenario analysis for a \$4.6 bn M&A transaction. Developed investment appraisal skills applicable to advising UHNW entrepreneurs on liquidity events, holding company structures, and corporate to personal wealth transitions.
- Authored a Distinction-level valuation thesis on Capgemini SE applying complex DCF and relative valuation methodologies. Translated rigorous quantitative analysis into actionable, risk-adjusted investment recommendations aligned with the long-term wealth capital preservation goals of private wealth portfolios.

BSc Economics & Management – 103/110 (2:1)

Sep 2021 – Sep 2024

Università Cattolica del Sacro Cuore, Milan, Italy

- Mastered financial accounting, corporate law, and European financial regulation. Built the technical foundation to evaluate family-owned SME balance sheet and structure MIFID II compliant, unconflicted portfolios and holding companies for entrepreneurial families.
- Authored a graduation thesis analysing ECB and BoE monetary strategies post-Brexit ("ECB and BoE strategies in managing credit and liquidity risk"). Translated complex central bank policies into actionable risk-mitigation and defensive asset allocation strategies HNW portfolios.

Summer Programme Finance & Financial Market – 65 (2:1)

Sep 2021 – Sep 2024

King's College London, London, UK

- Mastered capital market dynamics and asset pricing models, evaluating the risk profile of equity transaction to support strategic asset allocation and long-term capital preservation for private wealth portfolios.

WORK EXPERIENCE

Private Banking Intern

Apr 2024 – Sep 2024

Fideuram – Intesa Sanpaolo Private Banking, Verona, Italy

- Supported a €50M+ AUM portfolio by executing strategic multi-asset allocation, rebalancing and generating customised fiduciary-first advisory reports.
- Facilitated complex, tax-efficient succession planning by analysing fiduciary mandates, trust vehicles and holding structures, ensuring optimal cross-border asset protection, intergenerational capital preservation, and alignment with family governance objectives.
- Performed rigorous macroeconomic research to formulate bespoke investment proposals for internationally mobile clients, strictly enforcing MiFID II suitability, downside risk protection, and alignment with overarching family governance objectives.

Tax & Accounting Intern

Apr 2023 – Jun 2023

Studio Commercialista Andrea Marzolo, Verona, Italy

- Assisted in the preparation and review of financial statements and tax compliance for 10+ family-owned SMEs. Built the technical foundation to evaluate private business assets and corporate balance sheets within holistic HNW wealth portfolios.
- Performed financial due diligence and capital structure analysis. Evaluated tax exposure to formulate restructuring strategies, gaining the corporate governance expertise essential for advising entrepreneurial families on holding structures and succession.

LEADERSHIP & PROJECTS

Head of Sponsorships

Sep 2025 – Present

United Italian Societies (UIS), London, UK

- Manage high-level relationships with financial institutions to secure funding for a global network of 60+ societies (~11,000 students). Oversee multi-currency cash-flow allocation and budget forecasting for international initiatives, demonstrating the absolute discretion and interpersonal excellence required for UHNW client advisory.

Equity Analyst – Top 3 of 200+ candidates

Feb 2025 – Jan 2026

Queen Mary University Investment Fund (QUMMIF), London, UK

- Authored a high-conviction equity thesis on Cerillion Plc applying DCF and relative valuation; successfully defended investment recommendations before an industry panel and secured direct capital allocation within the fund's £40,000 live portfolio.

UBS Banking Academy – Private Markets Programme – Top 10 globally

Jul 2025

AmplifyME, London, UK

- Constructed dynamic valuation models and sensitivity analyses on complex asset pricing scenarios, reinforcing the rigorous financial modelling discipline essential for advising clients on direct equity investment and alternative asset classes.
